2024 Recap

A Word From the **Lodge Chief**

My name is Alex H, your friendly neighborhood 2024 Amangi Nacha Lodge Chief. I just wanted to thank everyone reading this for their **support** and **dedication** to our lodge and helping me as well as many young scouts learn and grow in one of the best environments ever! Without your attendance or support, all of this would not be possible. Over this year we have had many successful events, and I have loved seeing our members have a great time at all of them!

If you are a new member reading this, **what are you waiting for!** This is one of the best organizations for people like you! Step up at the chapter level to a small position, **you can do it.** Through this, not only will you gain confidence and friends but also life experience from this unique environment. Then step up to a Chapter Chief, and then from there who knows where you will go. But by stepping up you have changed your life for the better. This happened to me in 2019 when I was asked to be the Chapter VC of the Program, I thought I could not do it but from there, I went on to be a Chapter Chief, then a Lodge VC and the Lodge Chief. **Don't doubt yourself, just do it, it will all work out in the end.**

And for everyone, my last ask, is to have you all show up to events, make sure our leadership has people to lead. Have some fun and make this Lodge the best it can be. Continue living our obligation, and overall reaching out to those who need help.

Again thank you all for everything! If you need my help at all or advice, I will always be around, just maybe a bit busy with college.

Again, Thank You

Sincerely,

Alex
2024 Lodge Chief

Winter & Fall Fellowship

by Noah Kincaid, VC of Program

I am excited to bring you the Fall Fellowship in October this year. There will be shooting sports, games, Monte Carlo night, and much more. I hope that you come by because it won't be something you forget. Enjoy the weekend in Fellowship with your fellow arrowmen.

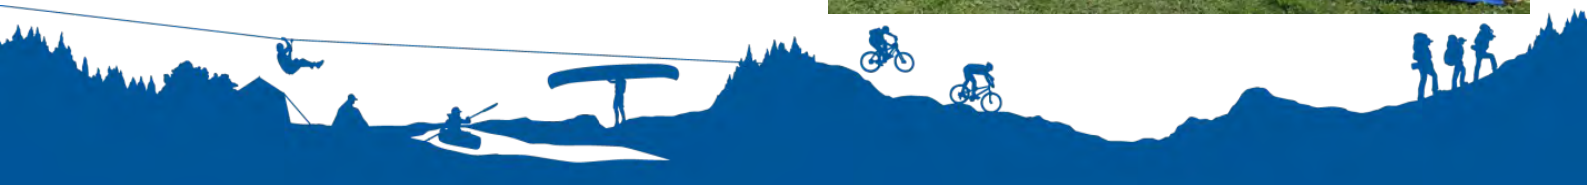

Sacramento County Women's Day Festival

by Noble Mahan, past Lodge Chief

On March 8th, Amangi Nacha hosted a booth representing both the lodge and Golden Empire Council at the Inaugural Sacramento County Women's Day Festival. This was a **lively event** with vendors and community groups from across Sacramento.

In true Scout fashion, we brought the climbing wall as well as patches and registration forms. The wall was a hit and so many kids tried to climb while we talked to their parents about Scouting. This was the first time an event like this had been hosted, so of course, it was small. But our Scouting booth had **great attendance** and we had really grew Arrowmen to help us. It is so important that young girls know of the opportunities that come from Scouting. Of course we should have a presence at a women's festival because the Scouting program is working to turn young girls and boys alike into the leaders of tomorrow. We hope to be at the festival next year and get even more interest!

INDUCTION

WEEKENDS

Insight from an Ordeal Master

Written by Tristan S.

Being the Ordeal master at the 2nd Lassen Induction Weekend was so much fun! I had a great time meeting and interacting with all of the new arrowmen. On Friday night, my jobs were to separate the candidates into crews, and to train their Elongomats. Throughout this Induction, everyone worked very hard and has made Lassen much better.

Why Should **You** be an Elangomat?

Interview with Ethan C.

What was your experience being an Elangomat?

"It was really fun! I was working with the adult candidates and some members helped us out as well! They were all very helpful and awesome"

Would you recommend being an Elangomat to those who haven't already?

"I think if you haven't been an Elangomat, then you haven't really lived... it's a great way to introduce new members into the Lodge and hopefully encourage them to attend more events!"

Reflection from the **New Ordeal Members**: Their Journey & Insights

Interview with Clancy F., Wyatt M., John R.

Overall, what did you think of your Induction?

"It was **fun & challenging**! I'm glad I did it, I feel like it made me stronger"

"It was really **rewarding** to be able to make Camp Lassen nicer. Also, the dinner was really good!"

How likely are you to attend more OA events in the future?

"Very likely! I loved the food after the Induction, especially the sweets treats!"

"I will definitely attend more events and hopefully see my crew members at them as well!"

"As long as there is good food, I will be there for sure"

NACHOS AT NOAC

The National Order of the Arrow Conference, more popularly known as "NOAC", is the premier event of the OA. From trainings to patch trading, there truly is something for everyone. One of the coolest aspects of NOAC is its location, every year it is hosted at a major University Campus and this year it was hosted at CU Boulder!

What was YOUR favorite part of NOAC?

David E. (Ordeal Member):

My favorite things about NOAC were getting to spend time and strengthening the bond with the people in my lodge and, of course, the patch trading was really fun!

Oak I. (Brotherhood Member):

My favorite part of NOAC was ziplining!

Lily R. (Brotherhood Member):

I really liked all the shows! The music was probably my favorite.

PRE-NOAC COLORADO TOUR

Prior to checking in at NOAC, the Amangi Nacha Lodge visited the Wings over the Rockies Air and Space museum, mini-golf, the Downtown Aquarium, and Elitch Gardens Theme & Water Park!

Although NOAC itself was so much fun, I think that the pre-NOAC tour was especially special because everyone was able to bond and talk to new people.

VIGIL MEMBERS

Congrats to all our new Vigil Members! Each one of these members has shown immense dedication to our lodge and we are so proud of all of them!
